# SUKIYA, Loved in Japan. Now in Your Town.

Founded in 1982, Sukiya is one of Japan's most popular gyudon chains. With over 2,000 locations across the country, we have become a familiar part of daily life for people of all ages, including students, office workers, and families. We serve hearty, satisfying meals from morning to night. While best known for our signature gyudon, our menu also features a variety of comforting favorites, including Japanese curry and traditional teishoku set meals. Sukiya has become an icon of Japan's restaurant culture.

At this Sukiya location, you can enjoy the same authentic flavors and relaxed atmosphere found in our restaurants in Japan.

We invite you to experience an authentic taste of Japan with us.

## What is GYU-DON?

### The flavor of Japan, all in one bowl.

Gyudon is a Japanese rice bowl topped with thinly sliced beef and onions simmered in a sweet and savory sauce. It's a simple, comforting dish enjoyed by people all across Japan.

#### Secret-Recipe Sauce

We've crafted our sauce's flavor to bring out the best in our beef—rich, savory, and perfectly matched with rice.

#### Perfectly Balanced Beef

The secret to delicious gyudon lies in the perfect balance of lean meat and fat. We carefully refine this ratio to bring out both savory richness and a touch of natural sweetness.

#### Onions Specially Selected for Gyudon.

To provide the ideal onions for our gyudon throughout the year, Sukiya partners with farms across different growing regions.

#### Perfectly Fluffy Rice

We cook our rice in large pots that evenly distribute heat, allowing the rice to heat thoroughly and evenly. The result is perfectly fluffy rice, every time.

#### Why does the gyudon chain have a drink menu called 'SUKICHA'?

#### Taste the spirit of Japan with Suki-Cha.

Suki-Cha was created to make it easy for people around the world to enjoy traditional Japanese matcha at Sukiya. Whether with your beef bowl, after your meal, or simply on its own, we invite you to enjoy the authentic taste of Japanese matcha with Suki-Cha.

Matcha is made by grinding whole tea leaves into a fine powder, which means it's rich in dietary fiber and vitamin E with antioxidant properties. Its fragrant aroma, subtle bitterness, and umami bring a sense of calm and relaxation.
